COMMENT	RESPONSE							
<p>Hulle het in 2023 geboor, impak van boor bestuur van mense was onaangenaam en hulle was geen respek vir die eienaar en sy grond</p> <p><i>They drilled in 2023 and 2024, the impact of the drilling and the management of the people were unpleasant. They had no respect for the owner and his land.</i></p>	<p>Your comment is duly noted. We apologise for the manner in which the previous drilling programme was managed. We will inform the applicant of your experience for consideration going forward.</p> <p>Afrikaans translation:</p> <p>Daar word kennis geneem van u kommentaar. Ons vra om verskoning vir die wyse waarop die vorige boorprogram bestuur was. Ons sal die aansoeker inlig oor jou ervaring vir oorweging in die toekoms.</p>							
<p>Die mense van die projek verniel drade van vee. Hekke word nie oe gemaaknie. Hulle slaan tente op sonder eenige toestemmin. Dit is nie aanvaarbaar on as boere nie.</p> <p><i>The people of the project destroyed the fence. Gates were left open. They pitched tents without any consent. This is not acceptable to us as farmers.</i></p>	<p>Your concerns regarding the gate have been noted will inform the applicant for consideration going forward.</p> <p>According to the Basic Assessment Report and Environmental Management Programme (BAR and EMPR) accompanying this application, no accommodation for staff and workers will be provided on-site unless permission is granted by the landowner. Should the landowner not grant permission, all persons will be accommodated in</p>							

		<p>nearby towns (i.e. Bothaville) and workers will be transported to and from the prospecting site on a daily basis.</p> <p>To ensure security measures are observed, the applicant will enter into a formal written agreement with the affected landowners prior to accessing any portion of land which will additionally stipulate the landowner's special conditions and will form part of a legally binding agreement.</p> <p>The Applicant will also be required to adhere to the conditions stipulated in the BAR and EMPR which include mitigating safety and security risks during drilling.</p> <p>Afrikaans translation:</p> <p>Jou bekommernisse oor die hek is aangeteken en sal aan die aansoeker oorweeg word vir toekomstige verwysing. Volgens die Basiese Assesseringsverslag en Omgewingsbestuursprogram (BAV en OBP) wat hierdie aansoek vergesel, sal geen akkommodasie vir personeel en werkers op die perseel verskaf word nie, tensy toestemming deur die grondeienaar verleen word. Indien die grondeienaar nie toestemming gee nie, sal alle persone in nabygeleë dorpe (d.w.s. Bothaville) gehuisves word en werkers sal daagliks na en van die prospekterperseel vervoer word.</p> <p>Om te verseker dat veiligheidsmaatreëls nagekom word, sal die aansoeker 'n formele skriftelike ooreenkoms met die betrokke grondeienaars aangaan voordat enige gedeelte van die grond betree word. Hierdie ooreenkoms sal die spesiale voorwaardes van die grondeienaar insluit en deel</p>
--	--	--

	<p>vorm van 'n wettig bindende ooreenkoms.</p> <p>Die aansoeker sal ook vereis word om te voldoen aan die voorwaardes uiteengesit in die BAV en OBP, wat die vermindering van veiligheid- en sekuriteitsrisiko's tydens boorwerk insluit.</p>
<p>Should there be further drilling on the property, I will put more stringent conditions in place. I will draw up a contract stating that there should be 24 hours security at the gate and completion of a register will be compulsory upon entering the property. In addition, all personnel will have to wear proper PPE and name badges.</p>	<p>Thank you very much, your comments are noted.</p> <p>The applicant will enter into a formal written agreement with the affected landowners prior to accessing any portion of land which will additionally stipulate the landowner's special conditions and will form part of a legally binding agreement. The Applicant will also be required to adhere to the conditions stipulated in the BAR and EMPR which include mitigating safety and security risks during drilling.</p> <p>Afrikaans translation:</p> <p>Baie dankie, jou kommentaar is aangeteken. Die aansoeker sal 'n formele skriftelike ooreenkoms met die betrokke grondeienaars aangaan voordat enige gedeelte van die grond betree word. Hierdie ooreenkoms sal ook die grondeienaar se spesiale voorwaardes insluit en sal deel vorm van 'n wettig bindende ooreenkoms. Die aansoeker sal ook vereis word om te voldoen aan die voorwaardes soos uiteengesit in die Basiese Assesseringsverslag en Omgewingsbestuursprogram (BAV en OBP), wat die vermindering van veiligheid- en sekuriteitsrisiko's tydens boorwerk insluit.</p>
<p>Please inform the community before drilling commences</p>	<p>Your comment has been noted and has been included as a mitigation measure in the BAR and EMPR.</p>

	<p>Will this project employ community members?</p>	<p>Your comment about employment is noted thank you. The BAR and EMPR states that, where possible, the Applicant and contractors will source local labour. However, the number of jobs would not be substantial and duration thereof would be short lived.</p>	
<p>3</p>	<p>Comments provided during the Public Open Day have been incorporated into the final Basic Assessment Report and Environmental Management Programme Report.</p>
